Re: Thank you, Bruce Schulte, for your Leadership, Commitment and Lighthearted Spirit on the Marijuana Control Board.

Dear Mr. Schulte,

The Alaska Marijuana Industry Association (AMIA) would like to take a moment to recognize and express our deepest gratitude for your years of service and dedication to Alaska's cannabis industry. Your countless volunteered hours on the Marijuana Control Board have played an essential role in shaping fair and balanced regulations that have supported the responsible growth of our industry.

Throughout your tenure, you have demonstrated an unwavering commitment to fostering a regulatory environment that is both thoughtful and effective. Your approach to policymaking—always measured, fair, and solution-oriented—has been instrumental in creating a stable foundation for businesses and consumers alike. The cannabis industry in Alaska would not be where it is today without the dedication of individuals like you, who have worked tirelessly to ensure a functional and sustainable marketplace.

Your leadership and willingness to listen to the concerns of industry stakeholders have not gone unnoticed. It is because of efforts like yours that we continue to see progress in regulatory efficiency, business development, and consumer safety. We are grateful for your hard work and the countless hours you have invested in serving our community.

We'll also miss the humor and warmth you brought to every meeting. No matter how serious the discussion, you had a way of making everyone laugh and keeping things in perspective. Your ability to balance professionalism with lightheartedness made the work more enjoyable for all of us. On behalf of AMIA and the entire industry, thank you for your service. We appreciate everything you have done and look forward to continuing to build upon the strong foundation you have helped establish.

Respectfully,
The Alaska Marijuana Industry Association
