RE: NMLS Mortgage Call Report

The Alaska Division of Banking and Securities would like to take this opportunity to remind all mortgage broker/lender licensees that the Nationwide Mortgage Licensing System & Registry (NMLS) has been updated to allow your company to submit the NMLS Mortgage Call Report in order to comply with the SAFE Act's Mortgage Call Report requirement (AS 06.60.100 (c)).

Your company 1st quarter 2011 (January 1 – March 31) NMLS Mortgage Call Report was due to be filed through NMLS by May 15, 2011. Our agency recognizes the minimized timeframe between the launch of the NMLS Mortgage Call Report functionality and the first deadline; therefore, the first system set deficiency for failure to file the 1st quarter data will be system set on June 16, 2011.

What you need to do:

If you have not filed 1st quarter data, log into your NMLS company account and complete the NMLS Mortgage Call Report under the Filing Tab. Information about the NMLS Mortgage Call Report, including quick guides and “getting started” instructions can be found on the [NMLS Resource Center – Mortgage Call Report page](#).

Please be aware that Call Center volumes have been higher than normal during this period and you may experience longer wait times.

Should you have any questions, please contact Marilyn White at 907-269-4594.
