Project Description & Selection / Citizen Participation Plan

A. Project Description

What are you going to do? Describe the project as completely and in as much detail as possible by first identifying existing conditions, the nature of the proposed project, and what needs the project will address in your community (see page 29 of the Handbook). Though not required, have you attached photographs illustrating the existing conditions? If your project is eligible under Section 105(a)(14) or (17) of the Special Economic Development category, identify the private for-profit entity or entities which will receive assistance. Show how jobs will be created. If your project is eligible under the Planning category, identify the specific plan you will produce as a result of this project.

B. Selection Process/Citizen Participation Plan

How and why did the community decide on this project? Describe the public participation process used and how and when residents, especially low and moderate-income residents, had the opportunity to comment. Does the project demonstrate community consensus? Identify the other projects considered for CDBG funding and explain why this project was selected as the priority.

Attach copies of minutes of at least one public hearing, which was held within the six-month period prior to acceptance of this application (***no earlier than June 6, 2024***). Your minutes *must* show the following:

- ✓ CDBG program and funding categories were explained
- ✓ Public had opportunity to comment
- ✓ Other projects were considered for CDBG funding
- ✓ Selected project has community consensus

(See page 29 of Handbook) ***This is a federal requirement. This application cannot be considered for funding without minutes showing that the public had an opportunity to comment and suggest a variety of possible projects.***

**Guidelines for Mandatory
Public Hearing for FFY 24 CDBG
Application**

- Give adequate notice to residents about the Public Hearing. Post notices in several different places around your community to reach as many individuals as possible. Clearly state the time, place, and reason for the Hearing. **(See “C” below)**
- The Public Hearing may be called as a special meeting or may be part of the regular City Council meetings. It must be held by the eligible applicant (City or Borough).
- After calling the Hearing to order, explain what the CDBG Program is and explain that CDBG grant funds can be used for different activities. They can be used for Community Development projects, Planning projects, or Special Economic Development projects. Ask if there are any questions on the types of projects that CDBG funds can be used for. **(See “E” below)**
- Give an example of a proposed project that is currently needed in the community. Tell what it is and why it should be chosen for the FFY 24 CDBG proposed project. **(See “E” below)**
- Call for alternative proposals. Discuss all proposals fully to clearly identify what projects are needed and why they are important to the community. **(See “F”)**
- If there are no alternative proposals, clearly state this fact in the minutes of the meeting.
- Approve project and submission of the CDBG application.
- After the meeting, the minutes of this Hearing must be written up and attached to the application. You should now be able to answer the remaining questions in this section of the application. **(See “D” below)**

C. Date of Public Hearing/Community Meeting: _____
Must be within six months of application submission. Include copy of the public notice for this meeting.

- D. Are minutes of meeting attached as required?** Yes No
- E. Do the minutes demonstrate that the CDBG program was explained and the types of projects that can be funded discussed?** Yes No
- F. Do the minutes demonstrate that residents had the opportunity to suggest a variety of possible projects for which to apply?** Yes No

NOTE: You must be able to answer “YES” to questions D, E, and F above and attach a copy of meeting minutes. If not, your application will not move forward.

Budget / Match / In-Kind

A. General Information about preparing your budget is provided below:

Refer to pages 25 – 27 of the Handbook for detailed instructions on how to prepare your budget to receive the highest possible score. Below is some of the most important information from the Handbook.

1. Are you applying for funding for construction?

If so, there are two ways to pay for construction labor:

- Force-Account
*Force-account labor means the applicant will hire construction workers, those workers will be on the applicant's payroll, and they will be paid prevailing wages for that area. The applicant will either manage the project in-house or hire a project manager. **If you are using force-account construction labor, you must complete the Force Account Labor and Fringe Benefits table on page 15.***
- Contractual
A contracted project means the applicant will go out to bid and hire a construction firm to construct the project. The workers in this case will be on the contractor's payroll and will be paid Davis Bacon wages.

2. Does your budget include matching funds?

In order to score the maximum number of points, your budget should include at least 25% matching funds. The following are examples of how your community can contribute matching funds:

- *Cash contribution from the applicant*
- *Administrative costs*
- *Other grant funds*
- *Cost of a design or feasibility study*
- *Cost of work already completed on the project*
- *Value of land for projects using real property (not design or planning grants)*

3. Have you included documentation?

Your budget numbers should be supported by documentation that shows how you calculated your budget. The following are some examples of budget documentation:

- *Grant award letters or cover sheets*
- *Letters of commitment or municipal resolutions showing commitment of funds*
- *Construction cost estimates*
- *Quotes for materials and freight*
- *Equipment rental cost rates*
- *Balance sheets showing available cash match*
