44 Jeanne Pace announced occupational licensing examiner (OLE), Marlo Adams, will be the OLE for Marital
45 and Family Therapy.

46

47 **Agenda Item – New Business/Senior License**

48 Discussion was had about the senior license. It was brought forth that the senior license is not in the
49 statutes and is in the research phase.

50

51 **Agenda Item – New Business/Avenue to Locate a Supervisor**

52 It has been very difficult for people to locate a board authorized supervisor. A solution is in test phase for
53 searching online for a board authorized supervisor for MFT. It is only in the testing phase. More
54 information will be reported to the Board when testing is complete.

55

56 **Agenda Item – New Business/Annual Report**

57 Board members discussed the compilation of the annual report. The section of the report was divvied up
58 as Shawnmarie—Needs, Richard—Accomplishments, Noah—Activities, and Kayla to review minutes and
59 pass information from minutes to person with corresponding section. All members to review and supply
60 information for each section. Through Onboard the Board will review and vote to agree upon a finalized
61 version of the annual report. Marlo is available to format information the board wants added to the
62 annual report. The board is to have the annual report to division staff by May 15th.

65 On record at 9:50 am

66

67 **Agenda Item – Current Status and Feedback Regarding ANP Removal**

68 We attempted to have some statute changes for the Board of Marital Family Therapy. It was attached to
69 a bill that Senator Tobin had created for physician assistance. Senator Steven’s office had basically taken
70 our information, written it out, and combined it with that bill when it went to committee. There was a
71 lot of discussion around removal of advanced nurse practitioner and our statute was removed from the
72 bill. We can start over as an independent bill or have it combined again. Discussion was about replacing

73 advanced nurse practitioner with advanced psychiatric nurse practitioner. This was tabled until next
74 meeting to give board members more time to research this matter.

75
76

77 **Agenda Item – AMFTRB Annual Meeting Attendance September 16, 2024**

78 Noah will attend this year’s meeting; however, he would like to see another Board member attend this
79 meeting next year.

80

81 **Agenda Item – Discussion Regarding Support of SB225 and HB314**

82 The board made public that they put forth a letter of support for Senate Bill 225 and House Bill 314. The
83 Board supports investigative fees coming out of corporations rather than the board funding
84 investigations. This would allow the board to look at investigative issues within the boundaries of, “is this
85 an ethical issue or not,” without thinking it will cause a financial dilemma. Nothing has moved on this
86 and won’t until the budget is passed. The board’s letter of support for SB225 and HB314 was read into
87 the record.

88

89 **Agenda Item – License Portability**

90 Shawnmarie is still awaiting the list of LMFTs, MFTs, and MFTAs with interest in being a part of a
91 subcommittee. Jeanne will track down the list and provide it to Shawnmarie via email.

92

93 **Agenda Item – Schedule Future Meetings**

94 Our next meeting is August 19th. The board scheduled a meeting for November 4th (in-person).

95

96 Off record 10:23 am

97 On record 10:29 am

98

99 **Agenda Item – Investigative Report**

100 Jasmin Bautista gave the report. The report is for period January 6, 2024, to April 4, 2024. There is one
101 open case for this board, and this is a 2023 complaint. The open case is still under review and Jasmin is
102 looking for an expert witness to review complaints. If anybody on the board has contact information for
103 a potential expert witness, please let Jasmin know. The board has one closed case, and it was closed due
104 to being an incomplete complaint. Incomplete complaints happen when a complainant does not respond
105 within 30 days with the signed complaint forms. If the complainant submits completed, signed complaint
106 forms then we would reopen the case.
