Quarterly Report Form

A school or apprentice instructor shall submit a report on each student/apprentice enrolled, on a form provided by the department, no later than the 15th day after the calendar quarter. This report must include the exact number of hours of theoretical and practical training completed by the student/apprentice during the previous quarter, the exact number and type of practical operations completed by the student/apprentice during the previous quarter. The quarterly report must maintain continuity from month-to-month, from the date of enrollment to the date of termination or completion of the course of instruction regardless of attendance by the student/apprentice.
