## **INSTRUCTIONS TO REACTIVATE AN INACTIVE OR RETIRED CHIROPRACTIC PHYSICIAN LICENSE**

**In accordance with AS 08.20.100(a), a person may not practice chiropractic or use chiropractic core methodology in the state without a license. A person holding an inactive or retired status license may not practice in the state.**

**NOTE:** Please read the application, statutes, regulations, and all instructions carefully. It is your responsibility to be aware of licensing requirements and provide all necessary documentation. No license will be issued until your application file is complete.

All applications are available on the Division's website at: [www.commerce.state.ak.us/occ/pchi.htm](http://www.commerce.state.ak.us/occ/pchi.htm)

All Chiropractic licenses expire on December 31 of even-numbered years.
