Dentist or Dental Hygienist Courtesy License Application Instructions

Except as provided in AS 08.36.238, a person may not practice, or attempt to practice dentistry or dental hygiene without a current license. A courtesy license may only be issued for a limited purpose approved by the board. The board will specify limitations on scope of the approved practice and duration of the courtesy license. A courtesy license does not authorize the licensee to practice dentistry or dental hygiene outside the limited purpose that is specified on the courtesy license.

A limited purpose for a courtesy license is the practice of dentistry or dental hygiene to underserved persons by a dentist or dental hygienist who has entered a written contract with a non-profit organization, charitable organization, or governmental agency. ("Underserved person" means individuals and groups of individuals whose access to dental health care in this state is limited or nonexistent due to geographic or economic factors, including low income and rural residence.) A holder of a courtesy license for dental hygiene may only practice under the general supervision of a dentist licensed in Alaska.

A courtesy license may be issued to a non-resident to practice dentistry or dental hygiene, is nonrenewable and is valid for a period not to exceed either a total of 40 days of practice during a 12-consecutive-month period or the duration of the limited purpose approved under 12 AAC 28.955(d) for the courtesy license holder, whichever is less. A person will not be issued more than one courtesy license in a 12-month period.

A courtesy license may not be used 1) for the purposes of locum tenens coverage; 2) to serve in place of a temporary or other license; 3) for the purposes of employment consideration; or 4) for receipt of remuneration directly or indirectly for practicing dentistry or dental hygiene requiring licensure under AS 08.32 or AS 08.36.

All applications are processed in the order received to ensure fairness to all applicants. Subsequent supporting documents not on file at the time of initial review of the application will also be processed in the order received. General processing times for the dental licensing program is 4-6 weeks from the date received in our office, though those times may lengthen during renewal (January-February of odd-numbered years). Licenses are generally issued 5-7 weeks after a completed application is received.

The following must be received by the division before your application for Dentist or Dental Hygienist Courtesy License can be reviewed:

1. APPLICATION

A completed application, signed and notarized (#08-0005, pages 1-5).

2. FEES

Fees made payable to "State of Alaska."

Nonrefundable Application Fee:	\$ 50.00
Courtesy License Fee:	\$ 50.00
Prescription Drug Monitoring Program (PDMP):	\$ 0.00
<hr/> Total Fees Due:	<hr/> \$100.00

3. AUTHORIZATION FOR RELEASE OF RECORDS

A completed Authorization for Release of Records form (#08-0005a).

4. VERIFICATION OF LICENSURE

A Verification of Licensure form (#08-0005b) showing evidence of a current license to practice dentistry or dental hygiene in good standing, sent directly from a state or jurisdiction with requirements at least equivalent to those of this state at the time of application and which verifies that the licensee is not under investigation in the state or other jurisdiction in which the applicant is licensed.

5. SCOPE OF PRACTICE

A description of the scope of dentistry or dental hygiene practice required to perform the duties for which the courtesy license is to be issued; the description must include the practice location, duration of practice, and patient population to be seen; the applicant must demonstrate to the board's satisfaction that the scope of dentistry or dental hygiene practice is for the limited purpose.

6. DESCRIPTION OF PURPOSE

A description in sufficient detail for the board to evaluate the circumstances under which the applicant will be practicing under any courtesy license issued, including the name and license number of the supervising dentist licensed to practice in this state if the applicant is working in a supervised clinic. (A dental hygienist courtesy license holder may practice only under the general supervision of a dentist licensed in Alaska.)

7. CONTRACT

A copy of the signed, written contract with a non-profit organization, charitable organization, or governmental agency, as referenced in 12 AAC 28.955(b).

8. ADDITIONAL PRACTICE INFORMATION

Courtesy licensees must submit all additional dental or dental hygiene practice information not provided in the original application within the 12-consecutive-month licensing period on form #08-0005c to the Alaska Board of Dental Examiners 30 days prior to subsequent courtesy practice to ensure timely processing.

General Information

APPLICATION PROCESSING:

The average time to process a paper application varies by program but can take several weeks from the date it is received in this office complete with all correct forms, supporting documents and appropriate fees paid. When the application is complete and correct, and all supporting documents have been received and all fees have been paid, the license will be issued and sent to you. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

PROFESSIONAL FITNESS QUESTIONS:

A “yes” response in the application does not mean your application will be denied. If you have responded “yes” to any professional fitness questions in the application, be sure to submit a signed and dated explanation, and the charging document and judgement.

DENIAL OF APPLICATION:

Please be aware that the denial of an application of licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

RANDOM AUDIT:

If your program requires continuing education, the Division will audit a percentage of the license renewals. If your license is randomly selected for audit, a letter will be sent with instructions to submit documentation as proof you satisfied the continuing competency requirements as stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. You must save your documents for at least four years so you can respond to audits.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the Division, in writing, of changes of address or name. Name and address change notification forms are available on the Division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a “certified true copy of the original document”. To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, “I certify this is a true copy of the original document” and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed for an individual. If you do not have a U.S. Social Security Number, please complete the Request for Exemption from Social Security Number Requirement form (#08-4372) located at *ProfessionalLicense.Alaska.Gov* or contact the division for a copy of the form. This form is required with every application if you do not have a U.S. Social Security Number.

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available to the public, unless required to be kept confidential by state or federal law. Information about current licensees, including mailing addresses, is available on the division's website at *ProfessionalLicense.Alaska.Gov* under License Search.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

PRESCRIPTION DRUG MONITORING PROGRAM:

All actively licensed practitioners with a DEA registration number valid to use in any state or practice location must register with the Alaska Prescription Drug Monitoring Program (PDMP) within 30 days of initial licensure and use the PDMP to review a patient's prescription history each time before prescribing, administering, or dispensing a federally scheduled II or III controlled substance. For more information, please visit *PDMP.Alaska.Gov*

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov*

Exempted facilities include health care facilities (defined in AS 18.07.111 or AS 18.20.499), correctional facilities, inpatient pharmacies, and emergency departments.

Per AS 11.71.900(8) "dispense" means to deliver a controlled substance to an ultimate user or research subject by or under the lawful order of a practitioner, including the prescribing, administering, packaging, labeling, or compounding necessary to prepare the substance for that delivery; "dispenser" means a practitioner who dispenses.

- a. **YES**, I plan to directly dispense and acknowledge I must report daily per AS 17.30.200 and 12 AAC 52.865.

A courtesy license does not authorize the licensee to practice dentistry or dental hygiene outside the limited purpose that is specified on the courtesy license.

(b) The board will consider a limited purpose for a courtesy license to be the practice of dentistry or dental hygiene to underserved persons by a dentist or dental hygienist who has entered a written contract with a non-profit organization, charitable organization, or governmental agency.

(c) An applicant for a courtesy license under this section shall submit to the department a completed, notarized application on a form provided by the department. An application must include

(d) A courtesy license issued under this section is nonrenewable and is valid for a period not to exceed either a total of 40 days of practice during a 12-consecutive-month period or the duration of the limited purpose approved under this section for the courtesy license holder, whichever is less. A person will not be issued more than one courtesy license under this section in a 12-month period.

(e) A courtesy license holder may not use a courtesy license

(1) for the purposes of locum tenens coverage;

(2) to serve in place of a temporary or other license under AS 08.32 or AS 08.36;

(3) for the purposes of employment consideration, if licensure is required under AS 08.32 or AS 08.36; or

(4) for receipt of remuneration directly or indirectly for practicing dentistry or dental hygiene requiring licensure under this chapter.

(f) A holder of a courtesy license for dental hygiene may practice only under this section and under the general supervision of a dentist licensed in Alaska.

(g) While practicing under a courtesy license issued under this section, the holder of the courtesy license is obligated to uphold the standards of practice identified in AS 08.32, AS 08.36, and in this title for the relevant provisions, and is subject to the relevant disciplinary provisions in AS 08.32, AS 08.36 and this title for actions taken or omitted while practicing under the courtesy license.

Use this form only to explain and document any professional fitness “yes” answers. A “yes” answer is not necessarily disqualifying but concealing one may be.

Each “yes” answer requires a separate explanation and associated documentation. Submit all relevant documentation with this form, even if you have previously provided it.

- **Explanations** include full details, dates, locations, type of action, organizations or parties involved, and specific circumstances. If the space provided is insufficient, make additional copies as needed.
- **Documentation** includes copies of court orders, charging documents, board or license actions, decisions against your professional certification, satisfaction of consent agreements (fines paid, community service completed, off probation, etc.), and fitness to practice letters (statement from your provider that you are safe to practice if you check “yes” to any of the questions regarding mental or physical health, or drug or alcohol abuse or addiction).
- **Disciplinary actions** may include, but not be limited to, suspension, surrender, revocation, probation, academic probation, reprimand, censure, restricted license, limited license, conditioned license, or letters of counseling, concern, advice, warning, caution, admonishment, or reprimand.

If you have multiple “yes” answers or multiple incidents for any professional fitness question, you must use a separate copy of this form and provide a full explanation and documentation for each incident.

The contents of licensing files are public records. If you believe that the additional information you are attaching to explain a “yes” answer should be considered confidential, state that in the attachment. A request for confidentiality may or may not be granted according to state law.

Write the professional fitness question number you are answering “yes” to in the box.
