Under 12 AAC 02.965, I understand that the hours I earned after February 28, 2023, may not be used for the subsequent renewal period.

I further certify that I hold a current CPR certification that meets the requirements of AS 08.36.070 and 12 AAC 28.920.

Random Audit

The board will audit a percentage of the license renewals. If your license is randomly selected for audit, you will be sent a letter and required to submit documentation and proof that you satisfied the continued competency requirements as you stated on this renewal form. Save your documents for at least four years to respond to any audits.

PART VI DEA Registration and PDMP Acknowledgment

If selected for audit, providers holding an active DEA registration will be required to submit proof of 2 contact hours in pain management, opioid use and addiction, completed between March 1, 2021, and February 28, 2023, in accordance with 12 AAC 28.400.

1. Providers with a DEA registration number valid to use in any state or practice location must register with the PDMP. Do you have a DEA Registration number?

- a. **NO**, I do not have an active DEA registration number valid to use in any state or practice location. I understand if I obtain a DEA registration number, I must register with the Alaska PDMP within 30 days as required by the board. I will refer to all applicable authorizing statutes, regulations, and comply with mandatory use. (Skip to Part VIII)
- b. **YES**, I have an active DEA registration number valid to use in any state or practice location. I have not registered with the PDMP and acknowledge I must do so within 30 days of renewing this license.
- I acknowledge I must review a patient's prescription history prior to prescribing, administering, or dispensing a federally scheduled II or III controlled substance.

If I have a change in DEA registration number or status, I also understand I must promptly submit the DEA Registration Status Change Form (#08-4763).

If you're unsure of the DEA issue date, indicate January 1st of the estimated year.

- a. **YES**
- b. **NO**

3. Providers who directly dispense a federally scheduled II - IV controlled substance are required to report daily. Do you plan to directly dispense? Directly dispense means you deliver the substance directly to the user. Writing a prescription for a patient to fill at a pharmacy is NOT direct dispensing.

Reporting does not apply to you if you directly dispense an outpatient supply of 24-hours or less in practice locations exempt under AS 17.30.200(t). Exempted facilities include health care facilities (defined in AS 18.07.111 or AS 18.20.499), correctional facilities, inpatient pharmacies, and emergency departments.

General Information

APPLICATION PROCESSING:

The average time to process a paper application varies by program but can take several weeks from the date it is received in this office complete with all correct forms, supporting documents and appropriate fees paid. When the application is complete and correct, and all supporting documents have been received and all fees have been paid, the license will be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

LICENSE TERM:

There is no "inactive" status. If you choose not to renew your license, it will lapse. Licenses are issued for a two-year period and expire on February 28 of odd-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date are issued to the next biennial expiration date. One renewal notice will be mailed at least 30 days before license expiration to the last known address of record.

PROFESSIONAL FITNESS QUESTIONS:

A "yes" response in the application does not mean your application will be denied. If you have responded "yes" to any professional fitness questions in the application, be sure to submit a signed and dated explanation, and the charging document and judgement.

RANDOM AUDIT:

If your program requires continuing education, the Division will audit a percentage of the license renewals. If your license is randomly selected for audit, a letter will be sent with instructions to submit documentation as proof you satisfied the continuing competency requirements as stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. You must save your documents for at least four years so you can respond to audits.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the Division, in writing, of changes of address or name. Name and address change notification forms are available on the Division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed for an individual. If you do not have a U.S. Social Security Number, please complete the Request for Exemption from Social Security Number Requirement form (#08-4372) located at ProfessionalLicense.Alaska.Gov or contact the division for a copy of the form. This form is required with every application if you do not have a U.S. Social Security Number.

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available to the public, unless required to be kept confidential by state or federal law. Information about current licensees, including mailing addresses, is available on the division's website at ProfessionalLicense.Alaska.Gov under License Search.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

LAPSED LICENSES:

If you choose not to renew your license before it lapses, you may renew the license at a later date only after meeting the requirements of regulation 12 AAC 28.925. Licenses that are expired for more than two years may not be renewed or reinstated.

PRESCRIPTION DRUG MONITORING PROGRAM (PDMP):

All actively licensed practitioners with a DEA registration number valid to use in any state or practice location must register with the Alaska Prescription Drug Monitoring Program (PDMP) within 30 days of initial licensure and use the PDMP to review a patient's prescription history each time before prescribing, administering, or dispensing a federally scheduled II or III controlled substance.
