Optometry License by Examination Application Instructions

Alaska Statute 08.72.110 states that no person may practice optometry in the state without first obtaining an Alaska license. The State of Alaska provides for licensure of optometrist with therapeutic authority only and no longer offers a restricted license for new applicants.

All Alaska-licensed practitioners with a DEA registration number valid to use in any state or practice location must register with the Alaska Prescription Drug Monitoring Program (PDMP) within 30 days of initial licensure and use the PDMP to review a patient's prescription history each time before prescribing or administering a federally scheduled II or III controlled substance. For more information, please visit PDMP.Alaska.Gov

LICENSURE BY EXAMINATION

The following must be received by the division before your application for Optometry License by Examination can be reviewed:

1. APPLICATION

A completed application, signed and notarized (#08-4913, pages 1-7). If a section or question does not apply to you or if you do not have a response, enter N/A in the field or box.

2. FEES

Fees made payable to "State of Alaska."

Nonrefundable Application Fee:	\$ 450.00
Initial License Fee:	\$ 600.00
State Law Examination Fee:	\$ 250.00
<hr/>	
Total Fees Due:	\$1,300.00

3. AUTHORIZATION FOR RELEASE OF RECORDS

A completed Authorization for Release of Records form (#08-4913a).

4. TRANSCRIPTS

Official transcripts sent directly to the division from a recognized college of optometry indicating OD degree.

5. REFERENCES

Three notarized letters of reference sent directly to the division from the person providing the reference (#08-4913b).

6. VERIFICATION OF LICENSURE

Verification of Licensure must be sent directly to the department from each jurisdiction where the applicant holds or has ever held a license to practice optometry. Each verification must include an explanation of any disciplinary action taken against the licensee. Check with each of the state boards you are or have been licensed in for their verification request process. If a state offers primary source verification on their website, that can be accepted as long as the website clearly confirms that it's a primary source verification.

7. DEA REGISTRATION

Copy of a valid DEA registration. Persons with a valid federal DEA registration number must submit proof of two hours of education in pain management and opioid use and addiction completed within two years preceding the date of application.

8. EXAM SCORES

Passing scores on all parts of the written and practical examination administered by the NBEO taken within four years of the date of application and sent directly to the Division from the NBEO (part I, II, III, TMOD, and ISE).

9. CONTINUING EDUCATION

If the date from an approved college of optometry indicating OD degree was greater than 2 years from the date of application, you must submit documentation of 36 hours of continuing education, in accordance with 12 AAC 48.210.

General Information

APPLICATION PROCESSING:

The average time to process a paper application varies by program but can take several weeks from the date it is received in this office complete with all correct forms, supporting documents and appropriate fees paid. When the application is complete and correct, and all supporting documents have been received and all fees have been paid, the license will be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

LICENSE TERM:

There is no "inactive" status. If you choose not to renew your license, it will lapse. Licenses are issued for a two-year period and expire on December 31 of even-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date are issued to the next biennial expiration date. Renewal applications become available 30-90 days prior to the expiration date. One renewal notice will be sent via email or mail at least 30 days before license expiration to the last known email or mailing address of record. Failure to receive a renewal notice does not alleviate the requirement to renew the license if you wish to continue providing services in Alaska.

PROFESSIONAL FITNESS QUESTIONS:

A "yes" response in the application does not mean your application will be denied. If you have responded "yes" to any professional fitness questions in the application, be sure to submit a signed and dated explanation, and the charging document and judgement.

DENIAL OF APPLICATION:

Please be aware that the denial of an application of licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

RANDOM AUDIT:

If your program requires continuing education, the Division will audit a percentage of the license renewals. If your license is randomly selected for audit, a letter will be sent with instructions to submit documentation as proof you satisfied the continuing competency requirements as stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. You must save your documents for at least four years so you can respond to audits.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the Division, in writing, of changes of address or name. Name and address change notification forms are available on the Division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a "certified true copy of the original document". To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, "I certify this is a true copy of the original document" and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed for an individual. If you do not have a U.S. Social Security Number, please complete the Request for Exemption from Social Security Number Requirement form (#08-4372) located at *ProfessionalLicense.Alaska.Gov* or contact the division for a copy of the form. This form is required with every application if you do not have a U.S. Social Security Number.

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available as a public record, unless required to be kept confidential by state or federal law.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

STATUTES AND REGULATIONS:

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov*

If you would like to receive notice of all proposed regulation changes for your program, please send a request in writing with your name, preferred contact method (mail or email), and the specific program you want to be updated on to the address below.
