APPLICATION REVIEW:

The application review process is defined by the requirements set forth in state law. The Board and its staff must comply with those laws in processing applications.

The application must be completed in full. If a question does not apply, write N/A in the space provided. Please print or type. An incomplete application or any unusual circumstances noted in the application may require additional processing time. You may want to keep a copy of your application for your records. You must sign and date the application in front of a notary public. Do not provide mailing envelopes with your requests for verification of licensure, professional reference, verification of work experience, or transcripts.

The Board conducts a thorough evaluation of education, training, employment or work history, malpractice history and any criminal or disciplinary history. We recommend you do not make commitments for loans, practice start dates, home purchases, etc., based on the expectation of licensure. The Board will not accelerate one application over others nor will it forego any elements of its screening process.

LEGAL NAME CHANGE:

If any of the required documents (i.e., transcripts, verifications of licensure, etc.) will be issued under a former name, submit marriage license, divorce dissolution and/or court documents that are notarized as a “certified true copy of the original document.”

General Information

APPLICATION PROCESSING:

The average time to process a paper application varies by program but can take many weeks from the date it is received in this office complete with all correct forms, supporting documents and appropriate fees paid. When the application is complete and correct, and all supporting documents have been received and all fees have been paid, the license will be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

LICENSE TERM:

There is no “inactive” status. If you choose not to renew your license, it will lapse. Licenses are issued for a two-year period and expire on June 30 of even-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date are issued to the next biennial expiration date. One renewal notice will be sent via email or mail at least 30 days before license expiration to the last known email or mailing address of record. Failure to receive a renewal notice does not relieve a licensee from the responsibility of renewing a license on time.

PROFESSIONAL FITNESS QUESTIONS:

A “yes” response in the application does not mean your application will be denied. If you have responded “yes” to any professional fitness questions in the application, be sure to submit a signed and dated explanation, and the charging document and judgement.

DENIAL OF APPLICATION:

Please be aware that the denial of an application of licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

RANDOM AUDIT:

If your program requires continuing education, the Division will audit a percentage of the license renewals. If your license is randomly selected for audit, a letter will be sent with instructions to submit documentation as proof you satisfied the continuing competency requirements as stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. You must save your documents for at least four years so you can respond to audits.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the Division, in writing, of changes of address or name. Name and address change notification forms are available on the Division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a “certified true copy of the original document”. To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, “I certify this is a true copy of the original document” and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed for an individual. If you do not have a U.S. Social Security Number, please complete the Request for Exemption from Social Security Number Requirement form (#08-4372) located at *ProfessionalLicense.Alaska.Gov* or contact the division for a copy of the form. This form is required with every application if you do not have a U.S. Social Security Number.

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available as a public record, unless required to be kept confidential by state or federal law.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

STATUTES AND REGULATIONS:

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov*

If you would like to receive notice of all proposed regulation changes for your program, please send a request in writing with your name, preferred contact method (mail or email), and the specific program you want to be updated on to the address below.

Fingerprinting Requirements

Your fingerprints will be used to check your criminal history records with the FBI [28 CFR 50.12(b)]. Procedures for obtaining a change, correction, or updating of an FBI identification record are set forth in 28 CFR 16.34.

This license application must be accompanied by a complete fingerprint card (may be used for the Alaska Department of Public Safety (DPS) and for the FBI national check). Fingerprints submitted must be on the standard FBI Form *FD-258*. These forms can be found for purchase online or often at local law enforcement or other authorized agencies that offer fingerprinting. Take the card, the instructions, and your photo identification to local law enforcement or other authorized agency to have the fingerprinting done. Please follow these instructions and the back of the fingerprint card.

DPS/the FBI will not accept any fingerprint cards that do not comply with the following:

1. No staples or staple holes are permitted in fingerprint cards. Do not tape, tear or fold the cards.
2. Ensure the prints are done properly and well. Poor quality prints, smudging, non-rolled or incomplete fingerprints will cause the cards to be rejected by DPS, the FBI or both.
3. All applicable sections of the top portion of the card must be legible and complete. The information/signatures must be typed, printed or signed in BLACK ink; no other color is permitted. Individual information blocks on the fingerprint cards must be filled in as follows:

NAME: Applicant's last name (comma), first name, then middle name (if any); suffix denoting seniority (Jr., Sr., II, etc.) follow the middle or first name. *Be sure to write your name in clear handwriting. It will save much more time and avoid rejections to assure acceptability the first time. Use black printer's ink. Fingers should be clean and dry before being inked. Use neither too much nor too little ink, nor too much nor too little pressure to make the impressions. To help ensure legibility, all 10 fingers must be rolled from nail to nail and include the first flexion crease. Detail must be sufficient on all 10 individual prints to clearly define the loop, whorl, arch, or other pattern. Roll the prints in the correct sequence.

All instructions must be followed correctly. All information on the cards is essential. Please double check your work before sending the card. Illegible, incomplete, or incorrect cards will be rejected and returned unprocessed.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below:

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI and the State of Alaska.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associate personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history records check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at:

<https://www.fbi.gov/services/cjis/identity-history-summary-checks>

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34).

To challenge the accuracy or completeness of your State of Alaska criminal history records, go to the Division of Statewide Services, Department of Public Safety at <https://DPS.Alaska.Gov/Statewide/R-I/background/Home> to request to correct criminal justice information.
