APPLICATION REVIEW:

The application review process is defined by the requirements set forth in state law. The Board and its staff must comply with those laws in processing applications.

The application must be completed in full. If a question does not apply, write N/A in the space provided. Please print or type. An incomplete application or any unusual circumstances noted in the application may require additional processing time. You may want to keep a copy of your application for your records. You must sign and date the application in front of a notary public. Do not provide mailing envelopes with your requests for verification of licensure, professional reference, verification of work experience, or transcripts.

The Board conducts a thorough evaluation of education, training, employment or work history, malpractice history and any criminal or disciplinary history. We recommend you do not make commitments for loans, practice start dates, home purchases, etc., based on the expectation of licensure. The Board will not accelerate one application over others nor will it forego any elements of its screening process.

EXAMINATION INFORMATION:

Alaska participates in the Alternate Approval Pathway (AAP) which allows exam candidates who are graduates of CAPTE-accredited programs to be approved to sit for the NPTE by the FSBPT.

An applicant who has applied for, but not yet received licensure in another state, and who has passed the national physical therapy examination in that state may have the examination score transferred to the Alaska Board and may apply for licensure by examination by submitting all required documentation and by having scores transferred to this state. Contact FSBPT at www.fsbpt.org to have your scores transferred electronically.

The examination is offered in Alaska in one location, Anchorage. However, once approved, applicants may sit for the examination at any Prometric Test Center in the United States.

ACCOMMODATIONS:

If you require a special accommodation when taking the NPTE, contact FSBPT: https://www.fsbpt.org/Secondary-Pages/Exam-Candidates/Testing-Accommodations.

LEGAL NAME CHANGE:

If any of the required documents (i.e., transcripts, verifications of licensure, etc.) will be issued under a former name, submit marriage license, divorce dissolution and/or court documents that are notarized as a "certified true copy of the original document."

IMMIGRATION:

In accordance with AS 08.84.032(a)(4), the applicant must have met applicable requirements under the Federal Immigration and Nationality Act, unless a United States citizen.

CREDENTIAL EVALUATION:

Before applying, you must have your foreign education evaluated by a credentialing provider who uses the qualifying Course Work Tool. If the review determines your education is substantially equivalent to a CAPTE accredited physical therapy program at the time of graduation you may then submit your application.

If it is determined your education is not substantially equivalent to a CAPTE accredited physical therapy program, do not submit the application. First, complete the required education and have your education re-evaluated. Once you have met the educational requirements, you may submit your application.

If an applicant has not had his/her transcripts evaluated, the following credential evaluation companies have been approved by the board for this service:

International Consultants of Delaware (ICD)	Foreign Credentialing Commission on Physical Therapy (FCCPT)	International Education Research Foundation (IERF)

General Information

APPLICATION PROCESSING:

The average processing time varies by program. When the application is complete and correct, all supporting documents have been received and all fees have been paid, the license may be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review

LICENSE TERM:

Licenses are issued for a two-year period and expire on June 30 of even-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date which are issued to the next biennial expiration date. One renewal notice will be sent via email or mail at least 30 days before license expiration to the last known email or mailing address of record. Failure to receive a renewal notice does not relieve a licensee from the responsibility of renewing a license on time.

PROFESSIONAL FITNESS QUESTIONS:

A "yes" response in the application does not mean your application will be denied. If you have responded "yes" to any professional fitness questions, submit an explanation with the charging and closing court documentation (e.g. court records, fitness letters, etc.).

DENIAL OF APPLICATION:

Be aware that the denial of an application for licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

RANDOM AUDIT:

This program requires continuing education. The division will audit a percentage of license renewals. If selected for audit, you will be sent a letter with instructions for documenting proof of meeting the continuing competency requirements as you stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer chooses. You must save your documents for at least four years so you can respond to audits. Licensees unable to comply with the audit are subject to disciplinary license action.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's responsibility to notify the division, in writing, of changes of address or name. Name and address change notification forms are available on the division's website. The address of record with the division will be used to send renewals and all other official notifications. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a "certified true copy of the original document". To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, "I certify this is a true copy of the original document" and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 requires a U.S. Social Security Number be on file with the division before a professional license is issued. If you do not have a U.S. Social Security Number, complete the Request for Exemption from Social Security Number Requirement form located at *ProfessionalLicense.Alaska.Gov.*

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available as a public record, unless required to be kept confidential by state or federal law.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov.*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

STATUTES AND REGULATIONS:

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov.* To receive notification of all proposed regulation changes, send a request with your name, preferred contact method (mail or email), and the program you want to be updated on to the regulation specialist at the following email: *RegulationsAndPublicComment@Alaska.Gov.*

Fingerprinting Requirements

Your fingerprints will be used to check your criminal history records with the FBI [28 CFR 50.12(b)]. Procedures for obtaining a change, correction, or updating of an FBI identification record are set forth in 28 CFR 16.34.

This license application must be accompanied by a complete fingerprint card (may be used for the Alaska Department of Public Safety (DPS) and for the FBI national check). Fingerprints submitted must be on the standard FBI Form *FD-258*. These forms can be found for purchase online or often at local law enforcement or other authorized agencies that offer fingerprinting. Take the card, the instructions, and your photo identification to local law enforcement or other authorized agency to have the fingerprinting done. Please follow these instructions and the back of the fingerprint card.

DPS/the FBI will not accept any fingerprint cards that do not comply with the following:

- 1. No staples or staple holes are permitted in fingerprint cards. Do not tape, tear or fold the cards.
- 2. Ensure the prints are done properly and well. Poor quality prints, smudging, non-rolled or incomplete fingerprints will cause the cards to be rejected by DPS, the FBI or both.
- 3. All applicable sections of the top portion of the card must be legible and complete. The information/signatures must be typed, printed or signed in BLACK ink; no other color is permitted. Individual information blocks on the fingerprint cards must be filled in as follows:

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below:

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI and the State of Alaska.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints
 and associate personal information. This Privacy Act Statement should explain the authority for collecting your information
 and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history records check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at:

https://www.fbi.gov/services/cjis/identity-history-summary-checks

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34).

To challenge the accuracy or completeness of your State of Alaska criminal history records, go to the Division of Statewide Services, Department of Public Safety at *https://DPS.Alaska.Gov/Statewide/R-I/background/Home* to request to correct criminal justice information.
