Exemption from Regulation of Construction Contractors

This form is to be used to request an exemption from registration as a construction contractor. (AS 08.18.161)(10-13)

Form with fields: Legal Name, Mailing Address, Contact Phone, Email Address

Owners are required to complete this form if they are advertising a structure for sale, or are selling the structure during the period of construction or within two years after the period of construction has begun.

- (A) begins the actual construction work; OR
(B) enters into an agreement with another person for them to provide labor, act as a subcontractor, or to provide materials for construction.

I certify that I am exempt from the regulations governing licensed contractors with the State of Alaska by meeting one of the following requirements (check one):

- 1. I am working on (select one):
an existing structure on my own property (does not have to be occupied).
my existing residence (does not have to own the residence).
a commercial property for which I am the owner or tenant and am using my own employees to perform maintenance, repair, and alteration work upon this property.

- OR - I certify that I am an owner acting as my own contractor and not engaged in a business which I am required to register as a contractor with the State of Alaska by meeting/following requirements.

- 2. I am (check all that apply):
performing the work independently;
have hired workers;
have hired subcontractors on an hourly basis.

AND

- 3. I am seeing to the paying for all labor, subcontractor and materials.
In addition, construction is limited to one of the following (select one):
home.
duplex, triplex or four-plex.
commercial building.
