

MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: June 20, 2024

FROM: Sonya Irwin, RLS

RE: #5708 M/Y Golden Eagle

**Requested
Action:**

Consider the reinstatement of a license that was expired for not completing the 2020/2021 renewal before February 28th 2020. If reinstatement is approved, then consider 2022/2023 renewal, 2024/2025 renewal, and first waiver of operation for 2022.

**Statutory
and
Regulatory
Authority:**

AS 04.06.090(b): Only the board may issue, renew, transfer, relocate, suspend, or revoke a license or endorsement under this title. The board shall review all applications for licenses and endorsements made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses, endorsements, and permits authorized under this title.

AS 04.11.540: ...If a complete application for renewal has not been filed by February 28 or the required fees and the penalty fees have not been paid by that date, the license expires at 12:00 midnight February 28.

3 AAC 305.055. Reinstatement of license. (a) For the purposes of AS 04.11.540, if a license expires because an applicant fails to file a complete application for renewal or fails to pay the required renewal fees and penalty fees by February 28, the board will consider a written request to reinstate the license. A request to reinstate a license must include

- (1) the complete renewal application;
- (2) a license reinstatement fee of \$1,000;
- (3) all other required fees and penalty fees; and
- (4) proof of good cause for the applicant's failure to file the renewal application by

February 28.

(b) The board will deny a request for reinstatement of a license submitted under (a) of this section if

(1) the license became available in accordance with 3 AAC 305.040 and the license was issued to a different applicant, unless the limit of licenses under AS 04.11.400 has not been reached; or

(2) the board finds that the applicant's failure to timely file or pay was caused by
(A) the applicant's failure to notify the board of a change of the applicant's electronic mail address;

(B) a transfer of ownership of the business for which the license was issued without written approval of the board in violation of AS 04.11.040;

(C) a lease of the licensed business to another person in violation of AS 04.11.450(c); or

(D) any other action of the applicant, whether active or tacit, that the board finds constitutes a failure to lawfully operate the business for which the license was issued.

Staff Rec.: Evaluate reinstatement request in accordance with 3 AAC 305.055.

Background: Licensee did not complete required corrections to the 2020-2021 renewal by February 28th and an expiration and cessation of operations letter was sent out on March 12th, 2020.

Attachment: AB-017: General Renewal Application 2022/2023, AB-17: General Renewal Application 2024/2025, AB-29: Waiver of Operation for 2020 (Covid), 2021 (Covid), 2022 (first waiver), Request for Reinstatement, Chronological summary of events for license #5708 DBA: M/Y Golden Eagle, and email communication from staff to licensee.

7. October 22nd, 2018: New License Issued for 2018/2019.
8. February 14th, 2020: Temporary License Issued for 2020/2021 based on a submitted renewal.
9. February 26th, 2020: Corrections required email and phone call from AMCO to licensee.
10. March 10th, 2020: Final Warning letter regarding required corrections sent.
11. March 12th, 2020: Expiration letter sent to licensee.
12. March 17th, 2020: Licensee responds to email from 2/26/2020 with corrections.
13. April 9th, 2020: Complete Renewal Notice sent to licensee in the email there is mentioned in bold that they needed to reinstate.
14. April 13th, 2020: Licensee responds to the 4/9/2020 email expressing confusion with the previous correspondence.
15. April 14th, 2020: The Records and Licensing Supervisor responds to the 4/13/2020 email explaining that the renewal application had been deemed complete and would be going before the board at the June ABC Board meeting. The supervisor also states that there is a need for a written explanation that provides proof of good cause for the failure to complete the renewal by February 28th and that there is a reinstatement fee of \$1000.00.
16. June 15th, 2021: Staff reached out based on an inquiry from the licensee (most likely a phone call, no email was found). Staff explained in detail how the license was expired and how the licensee had the option to apply for reinstatement and the requirements for doing so if they decided to do so.
17. January 16th, 2024: Records and Licensing Supervisor reaches out stating that the renewal and reinstatement didn't make it on the agenda for the November 13-14, 2023 Board meeting. The fees for the 2022/2023 renewal had never been received and now the 2024/2025 renewal application and fees were now needed to get caught up for reinstatement. (It is later found out that the 2022/2023 renewal that is spoken about is for another license that the licensee owns.)
18. May 3rd, 2024: Licensee responds to 1/16/2024 email stating that they had sent in the 2024/2025 renewal "awhile back but was following up as I haven't heard anything back." (No emails could be found with the 2024/2025 renewal attached before this email. They also inquired about how to submit payment.
19. From May 3rd, 2024 – June 7th, 2024: A multitude of emails back and forth from the office to the licensee explaining the status of the license. May 15th, 2024 the Program Coordinator and Records and Licensing Supervisor had a phone call with two of the licensees to gain understanding from both sides. The office did let the licensees know that applying for a new license was also an option during the phone conversation.

20. June 7th, 2024: Payment for both renewal cycles (2022/2023 & 2024/2025) were received to complete the necessary qualifications for the reinstatement process.

Form AB-29: Waiver of Operation Application

Why is this form needed?

This form is the means by which a licensee may request that the Alcoholic Beverage Control (ABC) Board waive the operating requirement of AS 04.11.330(a)(3) or (d). If a recreational site license has not been operated at least once in a calendar year, or if a license of any other type has not been operated for at least 240 hours in each calendar year, then a complete copy of this form and the corresponding fees must be submitted for that calendar year, per 3 AAC 304.170.

This application must be accompanied by a non-refundable waiver application fee of:

- for a 1st request, an amount equal to ½ the applicable biennial license fee; or
- for a 2nd or subsequent request, double the amount of the fee paid for the previous waiver application.

The ABC Board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises could not be operated for the required time during the calendar year. The ABC Board may impose conditions along with the approval of an application for waiver, and it may deny a third or subsequent application for waiver. If an application for waiver is denied, an application for license renewal for the succeeding license period will be denied by the Board. In addition to the waiver application fee, the applicant must pay a late fee of \$1,000 for an application that is received too late for Board consideration at its meeting before November 30 of the year for which the waiver is requested. Please check AMCO's website for meeting agenda deadlines.

Please note that a licensee must submit a separate completed copy of this form and pay a separate corresponding fee for each license and for each calendar year during which a license was not operated in compliance with AS 04.11.330.

Subject: RE: 5708 Required Corrections for Liquor License Renewal
Date: Tuesday, March 10, 2020 1:10:00 PM

This is a follow up to the previous email.

I must have your corrections and completed application (including fingerprints, documents and fees) in my possession no later than 03/11/2020 at 4pm or your license will be expired.

Your immediate attention to this matter is appreciated

3 AAC 304.160. License renewals

(a) For purposes of AS 04.11.270 (b), a license renewal is timely and not delinquent if received at the board's main office or postmarked on or before December 31.

(b) For purposes of AS 04.11.540, an application for renewal of a license as described in that section is considered submitted by February 28 if the renewal application is received at the board's main office or postmarked on or before February 28.

(c) If a mailed renewal application has an illegible postmark or an undated postmark, the postmark date is rebuttably presumed to be five calendar days before the application was received in the board's office.

(d) In this section, "postmark" means the official cancellation stamp used by the United States Postal Service that records the date and place of mailing.

(e) For the purposes of AS 04.11.540, if a license has expired for failure to file a complete application for renewal by February 28 or for failure to pay the required fees and penalty fees by that date, the board will consider a written request to reinstate the license if the request is accompanied by

(1) a complete application;

(2) a reinstatement fee of \$1,000;

(3) all other required fees and penalty fees; and

(4) proof of good cause for the failure to file and pay by February 28.

(f) The board will deny a request for reinstatement submitted under (e) of this section if

(1) the license became available in accordance with 3 AAC 304.100

(2) and was issued to a different applicant, unless the limit of licenses under AS 04.11.400 has not been reached; or (2) the board finds that the failure to timely file or pay was caused by

(A) the licensee's failure to notify the board of a change of the licensee's mailing address;

(B) a transfer of ownership of the business for which the license was issued without written approval of the board in violation of AS 04.11.040;

(C) a lease of the licensed business to another person in violation of AS 04.11.450(c); or

(D) any other action of the licensee whether active or tacit that the board finds constitutes a failure to lawfully operate the business for which the license was issued. (Eff. 9/11/98, Register 147; am 6/13/2003, Register 166; am 2/21/2019, Register 229)

Re: Expiration and Mandatory Cessation of Operation of License #5708 DBA M/Y Golden Eagle

YOUR LIQUOR LICENSE HAS EXPIRED

Dear Coastal Alaskan Adventures Corporation:

Because a complete application for renewal and/or the required fees were not filed with the Alcohol & Marijuana Control Office (AMCO) by February 28, 2020, **your liquor license expired at midnight, February 28, 2020**, per AS 04.11.540.

THE SERVICE, SALE, CONSUMPTION, MANUFACTURE, AND/OR DISTRIBUTION OF ALCOHOL ON YOUR PREMISES MUST CEASE IMMEDIATELY.

If you submitted a renewal application that was determined to be incomplete, your license has expired for failure to complete the application by the statutory deadline.

The Alcoholic Beverage Control (ABC) Board will consider a written request to reinstate the license if the request is accompanied by a complete renewal application, all required fees (including any penalties and \$1000.00 reinstatement fee), and proof of good cause for the failure to file and pay by February 28, 2020, per 3 AAC 304.160(e). If you wish for this request to be considered by the ABC Board at its meeting on March 31 – April 1, 2020, all items must be complete and received by AMCO staff on or before March 13, 2020.

If you submitted a renewal application (and fees) for a license that has expired for failure to complete the application by the deadline, and if you do not wish to request that the ABC Board reinstate and renew your license, you may request a refund of your license fee by contacting AMCO staff. The \$300 renewal application fee and \$500 late penalty fee are non-refundable.

Completed documents (with the exception of fingerprint cards and checks) may be scanned and emailed, and any questions or concerns may be sent to alcohol.licensing@alaska.gov.

Sincerely,

Carrie,

We have received the following information from Randi and are quite confused. We have had conflicting information from her since submitting our application in correspondences and are requesting you to please clarify our license. Is it being mailed? Are we still needing to complete items? Although her email says our application and process is deemed complete. Any further direction would be greatly appreciated.

Good morning,

You had earlier inquired about the status of your license #5708 dba M/Y Golden Eagle. After a thorough review of the record I can now provide you the status of this license.

#5708 was expired on 3/12/2020 for not completing the renewal process timely. You were given until 3/11/2020 to complete your renewal application but it was not completed until after that date. We have the completed renewal application on file.

You may choose to reinstate your license. We will require all of the following as set forth by 3 AAC 304.160:

- A completed renewal application (which we already have on file).
- A written explanation that provides proof of good cause for the failure to complete the renewal by 2/28/2020. (You were given additional time by the licensing examiner and your date was extended to 3/11/2020.)
- A reinstatement fee of \$1000.00

The next board meeting is tentatively scheduled for 8/17/2021. To be included on the agenda the written explanation and reinstatement fee must be received in our office by 7/31/2021.

Please let me know if you have any questions. I can be reached directly at 907-269-0359.

Good afternoon,

Due to some unfortunate circumstances, the renewal and reinstatement did not make the agenda for the last meeting. So our office is in the process of scheduling your reinstatement and renew request for the above referenced alcoholic beverage license. While reviewing the documentation and researching our records, it was discovered that we did not collect the renewal fees for the 2022/2023 renewal cycle of \$1300.00. Additionally, we will need the attached 2024/2025 renewal application to be completed as well as the \$1300.00 fee for this current renewal cycle, do not worry about completing another AB-29 waiver of operations for the 2023 year. Any and all late fees are waived. We will send an e-bill for the renewal fees for the two cycles and get you all caught up for reinstatement for the 1/29-30/2024 ABC board meeting if payment is made and attached application is submitted before close of business 1/19/2024.

I apologize for any inconvenience or confusion.

Respectfully,

Carrie Craig

Good afternoon,

Due to some unfortunate circumstances, the renewal and reinstatement did not make the agenda for the last meeting. So our office is in the process of scheduling your reinstatement and renew request for the above referenced alcoholic beverage license. While reviewing the documentation and researching our records, it was discovered that we did not collect the renewal fees for the 2022/2023 renewal cycle of \$1300.00. Additionally, we will need the attached 2024/2025 renewal application to be completed as well as the \$1300.00 fee for this current renewal cycle, do not worry about completing another AB-29 waiver of operations for the 2023 year. Any and all late fees are waived. We will send an e-bill for the renewal fees for the two cycles and get you all caught up for reinstatement for the 1/29-30/2024 ABC board meeting if payment is made and attached application is submitted before close of business 1/19/2024.

Could you please confirm you've received everything needed: payments and requested documents.

Will be issued a temporary license until this is presented to the board?

Thanks,

Chelsea, yes, you need to fill out the attached AB-17 General Renewal Application. We do not have it. We cannot find it in the email.

We are in the middle of getting ready for board meetings and you are about to miss that opportunity. This back and forth is delaying you further.

If we do not receive the application attached completely filled out AND the full payment of all the applications that Sonya already corresponded with you about by tomorrow, 6/7/24, it will not be on the agenda for the board meeting in a couple of weeks.

Sonya will be sending you one e-bill for each of the following items:

1. Payment for 2022/2023 renewal application \$1800
2. Payment for 2024/2025 renewal application \$1800

Thank you, Chelsea.

Good morning,

The reinstatement is to reinstate the license after it was expired. The license fee is for the renewal. I have attached some correspondence from before my time regarding the matter.

I have scoured the shared inbox for alcohol as well as looked in a shared network drive and the license file. This office never received the 2022/2023 renewal/payment for lic# 5708 DBA: Golden Eagle. I will need to receive that renewal, as well as payment for it. I did receive the 2024/2025 renewal, but no payment for that either. If you have documentation of payment, please send it in. As it stands now this is what I will need in order to bring your license current:

1. 2022/2023 renewal application
2. Payment for 2022/2023 renewal application
3. Payment for 2024/2025 renewal application

The breakdown of the required fees for these two renewals are as follows: License fee \$1000 + application fee \$300 + late fee \$500 = \$1800 total. (for 2022/2023 renewal) + License fee \$1000 + application fee \$300 + late fee \$500 = \$1800 total. (for 2024/2025 renewal) = \$3600 for both renewals.

The receipt that you included in your last email was paying for the reinstatement fee of \$1000.00 and is labeled as such on the e-receipt that you attached. We are getting down to the wire on

time. The deadline for me to have any item on the agenda for the June 25, 2024 board meeting is this Friday, June 7, 2024. Please let me know how you'd like to proceed.

Hi Sonya,

I just left you a voicemail to call me back. Below is the receipt of payment through your online portal for the Golden Eagle in Nov 2022 for the 2022-23 season. I also will forward communication with CED ABC Alcohol licensing for that renewal application- there was an error- not realizing we had needed to notify of changes to owner status when we added on shareholders to the corp- so we processed that paperwork as requested in spring of '23, heard back in June '23 that it was processed.

March 3,2023- Christel reviewed information and emailed me

March 7,2023- I responded for clarification

May 11- sent over all the corrections- figner print cards were needed and the shareholders were out on the boat for those 2 months and not in service to get them.

June 7- still no response- so I followed up

June 23- Received temp license

So we need to get clarification on that and that is most likely what Carrie was referencing in her email in January '24 that there was a processing error on their end. So if that's the case, we paid our dues, there should not be a late fee for '22/'23

and we need to recalculate what is due for '24/25 with the submitted application already sent in to the office.

Please let us know and feel free to call me.

Thanks,

Chelsea McCarthy
