Form AB-02: Premises Diagram

Why is this form needed?

A detailed diagram of the proposed licensed premises is required for all alcohol license applications, per AS 04.11.260, 3 AAC 305.630 and 3 AAC 305.660. Your diagram must include dimensions and must show all entrances and boundaries of the premises, walls, bars, fixtures, and areas of storage, service, consumption, and manufacturing.

This form must be completed and submitted to AMCO's Anchorage office before any license application will be considered complete. You may attach blueprints or other detailed drawings that meet the requirements of this form.

The diagram MUST include:

- You must use a solid, contiguous red line to outline the outer perimeter of your premises with no breaks or separations.
 - o The red outline is required to follow a physical barrier (wall, fence and even across doorways).
 - o There should be no red lines within the perimeter
- Each area should be clearly labeled in any color other than red where alcohol is:
 - Stored
 - Served/Sold
 - o Manufactured
 - o Consumed
- All diagrams must include:
 - Dimensions (AMCO does not accept diagrams drawn to scale)
 - Cross streets
 - o Points of reference, such as a compass rose indicating True North
 - o All entrances, exits, walls, bars, and fixtures
- If your premises include multiple floors, please include a separate diagram of each floor.
 - You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your premises includes multiple floors, please include a separate diagram of each floor. You must identify the stairs between each floor, and each hallway/corridor that leads to each set of stairs.
- If your proposed premises is located within a building or building complex that contains multiple businesses and/or tenants, please provide an additional page that clearly shows the location of your proposed premises within the building or building complex, along with the addresses and/or suite numbers of the other businesses and/or tenants within the building or building complex.
- Any license applications that include outdoor space are required to submit a security plan that includes information about the barriers, practices, and personnel that are to be used to ensure that alcohol is not introduced or removed from the permitted premises and to prevent the access of alcohol by a minor during the permitted event. A security plan may be requested for other proposed locations on a case-by-case basis.
