Response to NOV for license #6008:

To prevent reoccurrence of violation AS 04.09.320(e)(1), we have canceled future events and have informed our manager that the listed events were against this regulation. We will also follow up with AMCO enforcement about exactly what is allowed at our brewery so we better understand the rules and what we are and are not allowed to do.

Notice of Violation

(3AAC 304.525)

This form, all information provided and responses are public documents per Alaska Public Records ACT AS 40.25

Date: 11/29/24

License #/Type: 2450

Package Store

Licensee: Duane Hart

Address: Mile 49 Parks Hwy. #772, Meadow Lakes, AK 99623

DBA: Knik Kountry Liquor #2

AMCO Case #: AM 24-2203

This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 11/27/2024 at approximately 1134 hours, Investigator Linger, with Alcohol and Marijuana Control Office (AMCO) entered your establishment located at Mile 49 Parks Hwy to conduct a routine inspection. When asked to provide proof of the Alcohol Server Education Course (alcohol server card) the employee behind the counter, Shayna Summers, provided an alcohol server education card (TAP card) that expired on 11/15/2024, twelve days prior to my inspection. Shayna was advised she could not serve alcohol or check ID's until she completed an alcohol server education course. This is in violation of the below referenced Alaska Statute, and Alaska Administrative Code.

This is in violation of:

AS 04.21.025 Alcohol server education course (a)(c), and 3 AAC 305.700(a)

AS 04.21.025(a) Except as provided under (e) and (f) of this section, as a condition of issuance or renewal of a license or conditional contractor's permit and selling alcoholic beverages under a license or conditional contractor's permit, the board shall require a licensee or permittee who sells or serves alcoholic beverages and a licensee's or permittee's agents and employees who sell or serve alcoholic beverages or check the identification of a patron to complete an alcohol server education course approved by the board.

(c) A licensee, permittee, agent, or employee shall complete the course required under (a) of this section and pass a written test, online or in person, demonstrating an understanding of the course subjects not more than 30 days after being licensed, permitted, or employed. The course provider shall issue a card to each individual who completes the course and passes the written test. A card issued under this subsection is valid for three years from the date of issue. A licensee, permittee, agent, or employee may renew a card issued under this section; to renew the card, the licensee, permittee, agent, or employee must pass a written test demonstrating an understanding of the course subjects. Notwithstanding the 30-day period 95 for completing the course and passing the written test under this subsection, a person may not sell or serve alcoholic beverages or check the identification of a patron at a permitted event under AS 04.09.600 - 04.09.690 unless the person possesses a valid card issued before the event.

3 AAC 305.700. Alcohol server education course. (a) Unless exempt under AS 04.21.025(f), a licensee, employee, or agent of a licensee selling or serving alcoholic beverages shall successfully complete an alcohol server education course. The person or the on-duty supervisor shall carry or have available to show current course cards or photocopies of the cards certifying completion of an approved alcohol server education course. The card is effective for three years from the date of issuance during which time the person shall complete another approved course or successfully complete a written test demonstrating an understanding of the course subjects as required by AS 04.21.025(c). The card must include the name and date of birth of the card holder, the name of the course, and the date of expiration of the card. If the card does not include a photograph of the holder, the person shall also carry a valid identification under 3 AAC 305.800(b). The card or a photocopy of the card must be shown upon request of a peace officer or board representative. If the person cannot show a current card or a copy of it on file on the premises or show a date of hire less than 30 days earlier, the person shall immediately cease selling or serving alcoholic beverages or checking identification.

To Whom It May Concerns,

I am writing regarding the Notice of Violation on 11/29/2025 in our Package Store, License

Number: 2450. Under the business name of Knik Kountry Liquor #2 Mile 49 Parks Hwy. We took

affirmative action as soon as the incident occurred by sending Shayna Summers home with a reprimand and to renew and attend her Alcohol Server Education Course as soon as possible

before returning to her scheduled days of work. We also have made a small adjustment to post all

expiration dates of all Knik Kountry Liquor employee's alcohol server cards on our employee

bulletin so that all are aware of when they need to schedule to get renewed before the expired date.

Shayna did have her Alcohol Server Education Course Card on her at the time of work, but

her card expired 12 days prior to the inspection as she was aware she needed to renew but with

holidays and working Full time she did let that slip by. We would like to share that she immediately

got her card renewed as soon as possible and with the holiday the following day she did complete it

on Friday 11/29/2024 with a new expiration date of 11/29/2027 Certificate #312379 and is back to

work.

Sincerely,
Susan Hart-Glansbeek
Vice President

On 6-27-24, an inspection was conducted at your establishment. Manager Jamie Dale Musick was asked to produce an alcohol server education card. Mr. Musick did not have one and has been the manager for 17 years. Mr. Musick was told to stop serving alcoholic beverages until he could provide proof of server education to an Alcoholic Beverage Control Board representative.

The premises says the business is Seward Market Place but the license, doing business as (DBA) and the alcohol database, show that the DBA is Speedway Express.

Good Morning,

I apologize for the delayed response. This is extremely important to us, and we take this violation very seriously.

Jamie Musick has training for his license on Tuesday 7/16/24 and the fine has been paid.

We have a spreadsheet with all managers and I have my district managers looking once per week to ensure there are no lapses in these licenses.

Please let me know if you have any questions.

Thank you again,
